

MAGMILAX BOLUS

Section 1: Identification of the Substance and Supplier

Product Name Magmilax Bolus
Recommended Use Antacid – Mild Laxative
Company Details Sparhawk Laboratories Inc. 12340 Santa Fe Trail Dr. Lenexa, Ks. 66215
Emergency Telephone 800-424-9300
Date of Preparations 11/17/15

Section 2: hazards Identification

Hazard Classification Not Hazardous
Priority Identifiers May cause irritation to upper respiratory passages. Remove from exposure to fresh air. Contact a physician if symptoms persist.
Secondary Identifiers None Applicable
Risk & Safety Phrases None Applicable

Section 3: Composition/Information on Ingredients

Chemical Name	CAS Number	Concentration
Magnesium Oxide	1309-48-4	50%-99% w/w
Sodium Starch Gluconate	9063-38-1	0.1-5% w/w
Magnesium Stearate	557-04-0	0.1-5% w/w
Starch	977050-51-3	0.1-5% w/w
Capsicum	404-86-4	0.1-5% w/w
Ginger	84696-15-1	0.1-5% w/w
FD&C Red #40	68583-95-9	0.01-1.0% w/w
Methyl salicylate	99-76-3	0.01-1.0% w/w
Silicon Dioxide	11292-00-8	0.1 – 5% w/w

Concentrations are listed as a range to protect proprietary information. The variations have no material effect on the safety data reported.

Section 4: First Aid Measures

Necessary First Aid Measures
 Skin: Wash with soap.
 Eyes: May cause irritation, flush with water 15 minutes and seek medical assistance if symptoms persist.
 Inhalation: May cause irritation. Remove to fresh air and seek medical assistance if symptoms persist.
 Injections: May cause cramps. Drink fluids and seek medical assistance if large amount injected.

Section 5: Fire Fighting Measures

Type of Hazard Not flammable
Fire Hazard Properties None Applicable
Regulatory Requirements None Applicable
Extinguishing Media and Methods Suitable for surrounding fire. CO₂, dry chemical or water spray.
Hazchem Code None Applicable
Recommended Protective Clothing Self-contained breathing apparatus and protective apparel.

Section 6: Accidental Release Measures

Emergency Procedures For large spills: Shovel into DOT containers and dispose according to local, State and Federal regulations.

Section 7: Handling and Storage

Precautions for Safe Handling Store in a cold dry place

Regulatory Requirements None Applicable

Handling Practices Keep container tightly closed when not in use.

Approved Handlers None Applicable

Conditions for Safe Storage Avoid excessive heat.

Store Site Requirements Cool and dry.

Section 8: Exposure control/Personal Protection

Workplace Exposure Standards None Applicable

Application in the workplace None Applicable

Exposure standards outside the workplace None Applicable

Personal protection NIOSH approved dust mask, rubber gloves and protective clothing.

Section 9: Physical and Chemical Properties

Appearance	Pink Bolus
Boiling Point	3600°C
Melting/Softening point	2800°C
Vapor Pressure	None Applicable
Specific Gravity	3.6 g/cc
Solubility (H ₂ O)	Incomplete
Percent Volatiles	None present
Evaporation Rates	None Applicable

Section 10: Stability and Reactivity

Stability of the Substance Stable when stored according to label directions

Conditions to Avoid Do not breathe dust

Material to Avoid Interhalogens, phosphorous pentachloride and strong acids.

Hazardous Decomposition Products Carbon oxides, nitrogen oxides, sulfur and smoke

Section 11: Toxicological Information

Acute effects for individual ingredients only

Inhalation of dust may cause irritation to upper respiratory passages

Section 12: Environmental Information

Effects for individual ingredients only

Not hazardous

Section 13: Disposal Considerations

Disposal Information According to local, State and Federal regulations.

Reference None Applicable

Section 14: Transport Information

Relevant Information Suitable for land, sea and air transport.

Section 15: Regulatory Information

Regulatory Status None Applicable

Section 16: Other Information

Additional Information For animal use only. Keep out of the reach of children.
